

**FOR IMMEDIATE RELEASE-May, 31, 2014**

## **Ted & Lisa**

*Complications in Corktown~an improvised play.*

We take a close up look at the strange and interesting people who live in this vibrant, multi cultural city of Toronto. The promise and pursuit of a “normal” life, in a downtown condo, fun friends and lattes exists..but not everything is what it appears to be. It’s time to break the doors open and let out the secrets, lies and weirdo’s that live within.

Inspired from community of Corktown, Ted and Lisa walk out on stage without characters, dialogue or plot, and hour later they will have created a multi-character one act improvised play.

*Come see the people who live in Corktown...  
it's disturbingly hilarious!*
